## NOVEMBER UPDATE

November 29, 2023

Hello everyone:

We hope everyone had a good Thanksgiving!!

We would like to welcome everyone that is here back. If you are not here I have only one question: Why the heck not?

The golfers are golfing, the pickle ballers are pickle balling, the petanquers are petanquin and the fish are biting, **HURRY UP!!**

The Thanksgiving dinner at the clubhouse was a success. There were ninety-eight people there, which is the most we can remember.

The fun club had new straps put on five chairs pool chairs. They look very nice; from what we understand they are all going to eventually be done.

There is a 50's & 60's dance this weekend, it ought to be a hoot.

Steve Bell is looking to get a group together to go caroling on December 16, 2023. They will meet at the clubhouse at 6 p.m., if you are interested show up and have a good time.

The tank for the water plant is being built as we read this. We are waiting for an update, but we are still weeks away from installation. We do have a backup plan in case of an emergency. We still have not received our total report on the water plant. We will update you as we get information.

Our regular board meetings will be starting in a couple of weeks. Just a reminder if you have anything you want to discuss, questions, complaints, comments, etc., please go to the office and fill out the form to get on the agenda. This way we can have the information you are asking for with us and everything will go smoothly.

We think that's about all for now, but know that we are continually working on the park to keep it beautiful and make improvements.

Board of Directors
