April 2, 2024

Hello everyone:

As I write this, it is the last day of March. Another winter is almost gone. Some have already left, and some are leaving soon safe travels and have a great summer.

The Board of Directors would like to thank all the Volunteers for everything they do, without them Blue Cypress would not function. From the Fun Club to all the Committees and the Board of Directors. Volunteers are what make this place work. **THANK YOU!!!!**

If you have been in the golf course bathrooms, you will notice the new look. Thanks to the House & Grounds Committee.

The shoreline repairs have begun, with a couple of different methods. Thanks to all who helped.

Another year of fun from the Fun Club!!!!

The park is looking beautiful, thanks to all that are cooperating and pitching in by sprucing up their property. Thanks to those people that helped with the two lots that needed help. That is what we need, a good sense of community. If anyone knows of someone that needs help, please speak up.

On Tuesday, April 2, 2024, we have a meeting with the owner and realtor for Sunset Waters. We are going to start the conversation of possibly buying the property in back.

The water clarity is getting better, it is not where we want it yet, but small improvements turn into big ones. Steady as we go.

To those that go home for the summer, make sure things are put away, trees trimmed, and boats tied down on your lots.

Sometime this summer, all boats will be moved for grading and graveling of the marina. Things are going to be changing in the boat area. So, we can be part of the solution or part of the problem. I hope we will be part of the solution.

We still have a lot of work to do this summer, but we will keep you updated.

Safe travel.

Board of Directors
